Declaration

As per the loan application by you on 01-Feb-2021 and the details of gold ornaments provided by you and offered as security for the loan, we have sanctioned you a preliminary loan application as detailed above, subject to appraisal. In the event of differences arising post appraisal, you will be intimated by us regarding differences within 2 hours and are required to confirm the acceptance of loan amount.

Authorized Signatory

I have fully understood the interest rate and other terms & conditions of the loan. I acknowledge the receipt of the estimated loan amount. I understand that Rupeek Fintech Pvt Ltd is a technology service provider and is a facilitator in the application/ processing/ disbursal and closure of loans.

I confirm the jewels have been packed and sealed in my presence. I understand that the estimated loan amount has been calculated considering the gold is 22 karat. I further agree that the estimated loan amount is subject to change post purity check and stone deductions.
